A Child's Garden Of Grass -- Reloaded: The Official Handbook For Marijuana Users

Synopsis

The all-time marijuana classic, revised and reprinted for the first time in 50 years. *And more hilarious than ever!* When you finish this book, you will know all there is to know about the use of the marijuana from buying it to cleaning it to rolling it in a joint to smoking it and getting high on it and realizing that there may be, after all, a point to existence. Included are the following subjects: Grass as an Aphrodisiac Games Stoned People Play Acquiring Grass How to enhance the power of Grass The Morality of Grass *A wealth of off-beat tips for many readers* especially non-users *the greater value lies in the pleasant, almost grass-like aura that the authors produce. Their low key approach and refusal to take grass too seriously help support their main contention: that grass should be no big deal.* *• Time Magazine*

This is an oldy but a goody. Brings back many memories of the 60' & 70's.

A very funny read about Cannabis that I first read back in 1969 or 70. - (When I was first 'turning on' - lots of chuckles!)

You can learn about much more than MJ in this book. Very well written, humorous

...This book is so interesting, the author is really descriptive of his premises in the book. It's humorous too.
