## **Customer Reviews**

" I've never seen a guy who worked as hard and wanted to improve as much as Page." -- "Stone Cold" Steve Austin WWF Superstar" In over twenty years, I've never seen anyone like DDP. Just talking to him is like a shot of adrenaline..." -- Terry "Hulk Hogan" Bollea Legendary Wrestling Superstar" Page went to bat for me... and our friendship was formed." -- Jon Bon Jovi Musician,Writer,Actor

I guess this was okay. I'm a little jaded with the WWE wrestlers. They all have their stories just the names are changed

This is not really a book about professional wrestling. This is a book that is partially set in the world of professional wrestling. The subject of the book is really positive thinking. It's out of print, and it may be hard to get, but if you are into human potential and the power of change - combining discipline with positive thinking - then this is a VERY good book. If you know (or if you are) a wrestling fan who needs to hear this message, then this may be the PERFECT book. Some people think that Dallas Page is a relentless self-promoter, but they're the ones who haven't been listening.

He believes that anyone can do anything that they really want to - if they're willing to work hard enough for it. He uses his own life as the example. It's worth a read.

I bought the book to find out a little about the man behind DDP Yoga. I have to agree with others that the book was written in an awkward style but it did show you how he came up through the ranks of WCW wrestling. I'm hoping the next book he alludes to as being in the works shows how DDP Yoga came about and is written in a less cut and paste of what his friends had to say about different times in his life. Overall it wasn't a bad book.

Perfect recommend it to all.

Great book to read and it was one of the few autographed by Diamond Dallas Page. It arrived exactly how I ordered it,

Wonderful service. Will be ordering again. Thank you!

Great

If you haven't read this one... you need to. then after you get done with this move on over to his YRG book. This one tells the story you didn't know. Don't miss it!
