Cozinha De Cabo Verde: A Cape Verdean - American Cookbook

Synopsis

This is a Cape Verdean cookbook published in both English and Portuguese. The original cookbook was published in July of 1990 and was dedicated to all the Cape Verdean merchant marine cooks both living and deceased. It has been through the superb cooking of our Merchant Seaman that the Cape Verdean Cuisine has become well know and enjoyed all over the world .

Best Sellers Rank: #574,376 in Books (See Top 100 in Books) #27 in [Books > Cookbooks, Food & Wine > Regional & International > European > Portuguese](#)

Customer Reviews

The author of this cookbook Thomas D. Lopes is a well known and respected publisher of the Cape Verdean Newspaper and producer and director of a number of Cape Verdean moives. The CVN Cape Verdean-American newspaper is now into its 32 year of publication.

As a first-generation Cape Verdean living far away from our USA home of southern New England, I am definitely content with this book. The recipes can sometimes be a little odd to follow because of their obscurity, but I would like to believe the vagueness on measurements and ingredients is the same flexibility Cape Verdeans use in their dishes anyway. I've already made a few dishes from this book and they turned out okay despite first attempts. It'll take a little getting used to for perfection, but practice makes perfect.

My husband is Cape Verdean. I always wanted to impress him with dishes from his country, so this is a start. Another reviewer indicated the book is a copy; that's correct. The author might want to reprint the book. I recipes are written in both languages which is great. I'm learning some of the words so that I can impress my mother-in-law. All in all great book for anyone needing a Cape

Verdean recipe.

Not enough of the recipes that I would like to have.

Such a great little find! Authentic Cape Verdean recipes that remind me of my grandmothers cooking.. Easy to follow recipes, photos and history which brings life to those with family from the Island. Can't wait to make the cachupa!

The recipes are easy to follow and oh so tasty. Real comfort and nutritious food. Next time you are invited to a potluck party try one of these recipes and you will receive many compliments.

I love this book

It was a gift for my cousin

Great cook book. Much better than expected.
