Customer Reviews

Not only did the contents of this book made me laugh, it also brought in a lot of good memories from my teen years. I used to drool over Donkey Kong console games and I can truly relate to the trivia and jokes here. There are some facts I have only encountered for the first time, and I can only say it is a truly nostalgic experience reading this.

Reading this book is a good way to unwind and relax. It shifts your mind away from the stresses and pressures of the day. It is so cool and funny. A good way to loosen up those tightened facial muscles by taking a good laugh from donkey kong after all, laughter is the best medicine.
