Awesome book. A great historical accounting. Daughter of one of the restaurant owners.

Packed with information and is much more than a restaurant review book. It is basically a history of the growth of Youngstown. Extremely interesting. Ordered extra copy for my Youngstown friends.

Excellent chronology of the dining spots in Youngstown. Very enjoyable reading.

For those of us who grew up in Youngstown, then moved away, this is a fun stroll down memory lane. And uncovered quite a few hidden facts as well.
