Customer Reviews

This is the TRUE first edition of Tom Braunlich's book of strategy for PENTE players. Published by Pente Games, Inc. of Stillwater, Oklahoma.

Great instruction book for Pente.

A great book to learn how to really play this game. You learn how to think about forming strategies and various tactical themes. The book is easy to read and can be completed within a few hours depending on how much thought you exert. With even a relatively casual read, you will certainly increase your skill level and enjoyment of the game. The author actually wrote 3 books with the third, Pente Strategy, simply putting the first 2 books together as one. The second book is pretty much impossible to find and the third will likely cost you about 3 times what the first book costs. However, the third book is worth the money, if you want to play seriously, on the internet in real time, with the best players in the world at Dweebo's Stone Games.
