Elijah Vs Antichrist: The End-Time Battle (Restoring Truth Book 2)

Synopsis

In the end-time a final battle will commence between Elijah and the Antichrist! Jesus said, "Elijah truly shall first come, and restore all things." Will you listen to Elijah or to the Antichrist? If you enjoyed "The Elijah Calling" by Ken Mentell you are going to love Book Two in the "Restoring Truth" series. The mark and image of the Beast cannot properly be understood without an accurate scriptural understanding of the Image of God, our now fallen and broken Image, and the role of the Messiah to restore the Image of God. Just as this pattern was fulfilled by Adam and Eve, by all Creation, by Israel, by Jesus Christ—it will also be fulfilled in the End-Time called the Day of the Lord. To properly understand the choices, you will be forced to make, you need to understand your true state as defined by the Bible. This end-time Battle cannot be escaped, it will fall on all creation, and every man, woman, and child will be forced into a choice. It will demand every bit of your attention, and every emotion of your being. It will determine your fate. Don't be surprised—this battle has been raging for 6,000 years and will culminate in a choice—just like Eve had to make! What will you do? Will you switch on the football game or will you wake up to a reality that existed all around you that you had chosen to ignore because the deception was so entertaining? Which mark will you take the Image of the Beast or the Image of God?

Detailed, in-depth look at end-time prophecy. This book examines what the scriptures say compared to long-time preconceived ideas Christians have held. The author methodically goes through Old and New Testament to address common held beliefs while presenting new ideas. While some are so different from mainstream doctrinal teachings that they are tough to digest, they do shed light on the importance of finding truth. It is imperative that, like the author, you keep in mind that the goal is the pursuit of truth. I will be re-reading this book several times to improve my understanding and highly recommend it for those looking for explanations. Good read with lots of scriptures to back it up.

Ken Mentell does an amazing job redefining what we thought we knew about bible prophecy! And really making a case that makes sense for new believers or people who have studied bible prophecy their entire lives!!! Thank you for being obedient!!!

Thank you Mr Mentell, I believe the Ruach led you in writing this book, as to what you call "fractals" I would call patterns, it all makes perfect sense. As a Torah follower for some time, the Ruach helped me understand some questions I was having by reading your book. The most important part is the scripture and examples you use to explain. May Yahweh our Elohim bless and keep you.

A solid sequel to Book One. It completes the picture.

Great book. Loved it. Would recommend to anyone studying about the coming of Christ. Got both books. Must read one and two

Elijah has already come from the east in 1948 according to Matthew 24:32-33 and Revelations 7:2. He has established a church called the World Mission Society Church of God. We are fighting the last spiritual war against the beast which is the Roman Catholic church and its teachings. Please come

learn the truth that has been restored by the true second coming Christ.
