Berserk, Vol. 9

Synopsis

Griffith, charismatic leader of the elite mercenary Band of the Hawk, has seen better days. His fearless champion, Guts, has left the Band, defeating Griffith in personal combat as his ticket out. With his judgment clouded by this unthinkable humiliation, Griffith eases his pain in the arms of the daughter of Midland's king. But the King doesn't take kindly to an employee picking the royal flowers, and the next stop for Griffith is the dungeon and the torture rack! Without Griffith and Guts, the Hawks become easy prey for Midland's army, and the AWOL Guts may be the only answer to the Hawks' and Griffith's lethal problems.

Customer Reviews

If you haven't read or seen berserk, you don't know what your missing. From art to story, very well done in every little way. You can feel the action frame by frame. Solid work. One of the best.

Background (general series) info: In the feudal era, a time of demons and knights, one man refuses to let anyone else control his destiny. Gutsu, a mercenary who recently left the infamous "Band of the Hawk," wanders and trains to become even stronger. As the protagonist of the series, Guts approaches battle with a mixture of savagery and cunning that is utterly destructive. This issue: Guts has just left his post in the mercenary group, the Hawks. To do so, he defeated Griffith in a duel. Upon gaining his freedom, he wanders alone into the woods, confronted by the Knight of Skeleton. Strangely, this awesome figure utters advice that he believes will save Guts' life. Something incredibly ominous approaches. Something is about to happen that will change the lives

of Guts, Caska, and Griffith forever. If you enjoy a good plot, you cannot go wrong with Berserk. It is such a strange and skillful blend of fantasy and realism that you become completely submerged in it. I highly recommend this series to anyone who enjoys action and supernatural intrigue.

Love it

This is an awesome manga, I'm trying to buy them all because it has an interesting story and this manga is one that I wanted to continue with the story of the anime. The price is at his best, because I have seen it very expensive and know I could get it at a lower price.

Kentaro Miura is one of the best writers of the dark fantasy genre.

It's BERSERK...What more needs to be said about one of the best, and longest Manga titles out there.Working on getting the entire collection.
